

Nu har vi ljus här i vårt hus

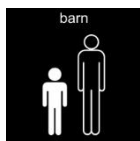

Text Rafael Hertzberg

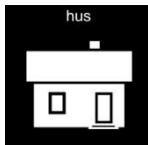

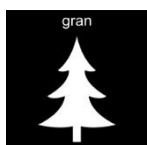

Nu har vi ljus här i vårt hus,

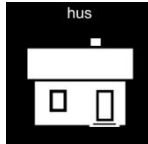

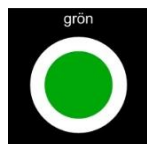

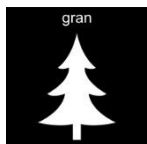

julen är kommen, hopp tra-la-la-la!

Barnen i ring dansa omkring dansa omkring.

Granen står så grön och grann i stugan,

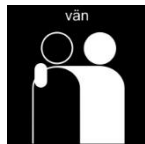

granen står så grön och grann i stugan.

Tra-la-la-la-la, tra-la-la-la-la, tra-la-la-la-la, la-la!

Kom

lilla

vän,

kom

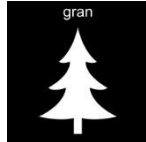

nu

igen,

dansa

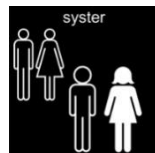

kring

granen,

hopp tra-la-la-la!

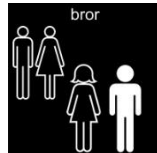

Glädjen är stor,

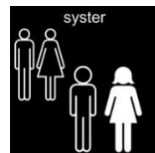

syster

och

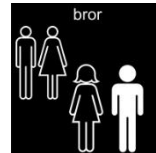

bror,

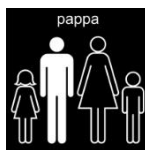

syster

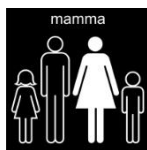

och

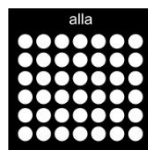

bror,

pappa,

mamma,

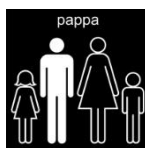

alla

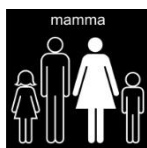

gå i

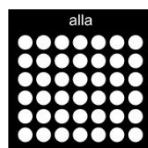

dansen.

Pappa,

mamma,

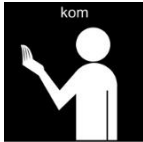

alla

gå i

dansen.

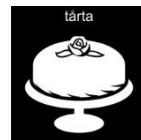

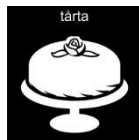

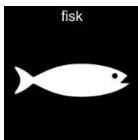

Tra-la-la-la-la, tra-la-la-la-la, ra-la-la-la-la, la-la!

Kom tag en sväng, klappar i mängd,

julbocken hämtat, hopp tra-la-la-la!

Lutfisk och gröt, tårta så söt, tårta så söt,

få vi sedan när vi tröttnat dansa.

Få vi sedan när vi tröttnat dansa.

Tra-la-la-la-la, tra-la-la-la-la, ra-la-la-la-la, la-la!
