

Stilla natt

svensk översättning Carl Oscar Mannström

Stilla

natt,

heliga

natt!

Allt

är

Stjärnan

blid.

Skins på

barnet i

stallets

strå

Och de vakande fromma två.

Kristus

till jorden

är kommen.

Oss är en

frälsare

född.

Stilla

natt,

heliga

natt!

Mörkret

flyr,

dagen

gryr.

Räddnings-timman

för

världen

slår,

Nu

begynner

vårt jubelår.

Kristus

till

jorden

är

kommen.

Oss är en

frälsare

född.
