

Nu tändas tusen juleljus

Text Emma Köhler

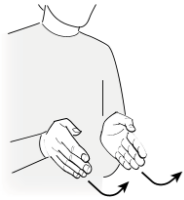

går julens

glada

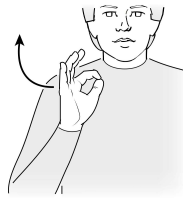

bud,

att

född

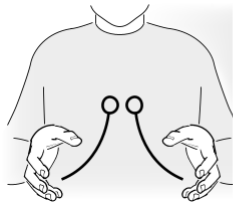

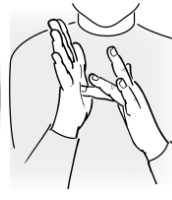

är

Herren

Jesus Krist,

vår

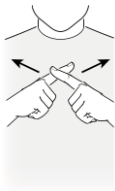

Frälsare

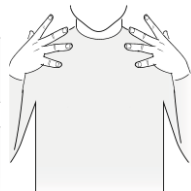

och

Gud.

Du

stjärna

över

Betlehem,

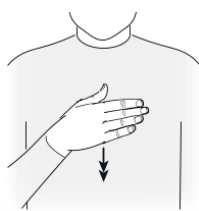

o, låt ditt milda

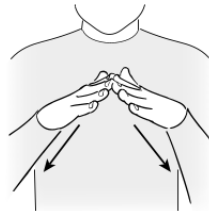

ljus

få

lysa

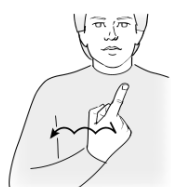

in med

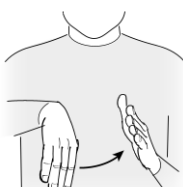

hopp

och

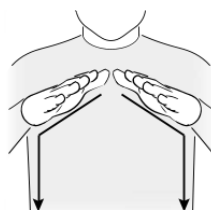

frid

i varje

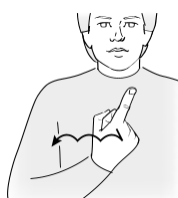

hem

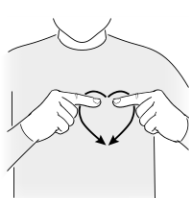

och

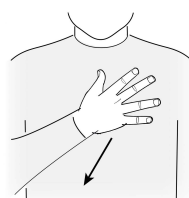

hus!

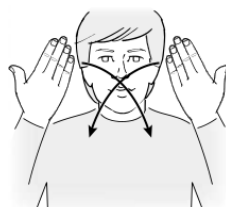

I varje

hjärta

armt

och mörkt

sänd du en

stråle

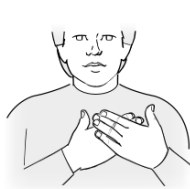

blid,

en stråle av

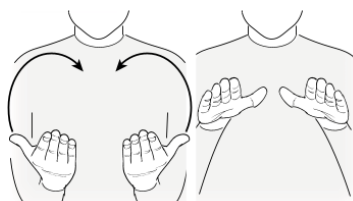

Guds

kärleks

ljus

i

signad

juletid!
